

NOTICE

As per the Assisted Reproductive Technology (Regulation) Act 2021 chapter III 15(1) - No person shall establish any clinic or bank for undertaking assisted reproductive technology or to render assisted reproductive technology procedures in any form unless such clinic or bank is duly registered under this Act.

As per the Assisted Reproductive Technology (Regulation) Act 2021 chapter III 15(4) - No clinics or banks shall be registered under this Act, unless the appropriate authority is satisfied that such clinics and banks are in a position to provide such facilities and maintain such equipment and standards including specialized manpower, physical infrastructure and diagnostic facilities as may be prescribed.

In view of the above all the clinics and banks providing infertility services which include counseling, IUI, storage of male/female gametes, IVF, Surrogacy etc have to be registered with the State Government. All such clinics are urged to apply on the National ART/ Surrogacy registry:

url: <https://artsurrogacy.gov.in/NationalArtSurrogacy/faces/HomePage.xhtml>

and the downloaded and certified copy of this application along with DD towards Director, Directorate of Health Services to be submitted at State Family Welfare Bureau, DHS Campal Panaji to ensure registration of the clinics under the ART /Surrogacy Act for functionality of the Clinics/Banks.
